🧩 LeetCode

Education

- **Siddaganga Institute of Technology**, Tumkur 2022 – 2026
B.E. in Computer Science and Engineering **CGPA: 8.59**
- **Presidency PU College**, Sira 2020 – 2022
Pre-University Course (PUC) **Percentage: 97%**
- **Shanthinikethana Vidya Samsthae**, Sira 2020
SSLC (KSEEB Board) **Percentage: 92%**

Skills

- **Programming Languages:** Java
- **Computer Science Fundamentals:** Operating Systems, Object-Oriented Programming, Data Structures and Algorithms
- **Database:** MySQL
- **Tools / Frameworks:** VS Code, Database Management Systems

Projects

- **AI-Based E-Waste Detection System**
Tech: Python, TensorFlow, CNN, Flask
Developed a CNN-based image classification system to automatically identify and categorize different types of e-waste. Trained a custom convolutional neural network using TensorFlow for accurate detection. Built a Flask backend service to handle image uploads, run model inference, and return real-time classification results.
- **Blockchain-Based E-Waste Management**
Tech: Solidity, Ethereum, React.js, Node.js, HTML, CSS, JavaScript
Developed a blockchain-enabled system to ensure transparency and security in E-waste management. Designed smart contracts for transaction verification and role-based operations. Implemented blockchain integration for waste categorization, traceability, and secure operations.
- **Apartment Management System**
Tech: MySQL
Developed a database-driven Apartment Management System for maintaining tenant records, parking details, lease information, and visitor logs. Designed relational tables for tenants, flats, leases, and parking slots with optimized queries for search and CRUD operations. Implemented role-based data access for admin, manager, and security personnel. Created a structured schema ensuring clean data organization with entity-wise details such as flat status, tenant occupancy, and lease duration.

Certifications and Achievements

- INNOVATE-2024, Siddaganga Institute of Technology
- “Feel Employable” Learning and Development Intervention, Training & Placement Dept., SIT
- Certification: Data Structures and Algorithms (DSA) in Java — GeeksforGeeks
